Subject: Amendment No. 04 to Request for Proposal No. Indonesia 06-014
Maintenance and Repair Services of USAID Building, Jakarta

To All Prospective Offerors:

The purpose of this modification is to formally answer a question raised by a potential offeror.

Question: As per attachment J.7.7.1 (Cost Proposal), overtime expense did not appear in the budget line item. Could you please advise us how to include the overtime expense, because we are confused to input this expense in the Cost Proposal.

Answer: Please include proposed overtime rate in the Attachment 7.7.2. and not in Attachment 7.7.1. Both of these attachments, as well as the other required information will comprise a complete cost proposal.

All questions concerning this RFP and the modifications issued hereto can be downloaded from these websites <http://indonesia.usaid.gov/> and <http://jakarta.usembassy.gov>.
